Lifestyle

Green Zone Agrochem Pvt. Ltd., a leading company from Maharashtra deals in food processing sector. Company has its own processing unit and cold storage at Pimpalgaon (Baswant), Dist. Nashik, Maharashtra.

Currently the company has three major product lines;

- **Raisins** :- Baswant Jumbo Black Seedless Raisins, Indian Green Raisins, Long Sonaka Raisins, Seeded Afghan Raisins, Shiraz Seeded raisins
- **Honey** :- Multi-Flora Honey and Uni-flora Honey such as Litchi, Eucalyptus, Rosewood (Sheesham), Acacia, Mustard, Sunflower, Jamun, Forest, Ajwain Honey are available
- **Processed food products** :- Jams, Juices, Ketchup & Crushes - Mix Fruit jam, Mango jam, Guava Juice, Mango Juice, Tomato Ketchup and various Fruit Crushes All these products are available under 'Baswant' brand.

'BASWANT' Raisins has become a very popular brand of Raisins in a very short time. Company markets various types of Raisins under brand name of 'BASWANT'. All the different varieties of Raisins are available under 'Regular', 'Premium' & 'Prestige' categories in the market. Diwali Gifts and Corporate Gifts are also available!

The brand 'Baswant' is also available on all leading e-commerce platforms like amazon, ebay, Flipkart to serve customers from all over India. Also available on www.baswant.com

Following things make 'BASWANT' so special –

- All raw material is carefully cleaned and sorted at production line
- Irradiation process is followed to make the RAISINS germ free.
- The Quality of RAISINS is checked in company's own lab as per the standards set by the FSSAI, APEDA and various other national and international agencies.
- The RAISINS are packed in sealed pack Pouches, Bags with Nitrogen gas to increase the shelf life of the RAISINS.
- RAISINS are packed in corrugated boxes and pouches as per quantity & requirement and then sent for dispatch or Cold storage.
- Supply in BULK quantity is also available.
- www.baswant.com
